

Toomey Budget Plan

- **Another unbalanced plan**
 - almost no revenue for deficit reduction
 - deep spending cuts in priorities like education, energy
- **Cuts discretionary spending more than \$1 T below BCA levels**
- **\$3 T in health care cuts**
 - repeals health care reform
 - shifts Medicare to “vouchers”
 - block grants Medicaid
- **Cuts safety net for seniors, children, disabled**
 - deeper cuts in income security than House Republican plan
