## **Senate Budget Committee Chairman Judd Gregg's Statement on Departure of CBO Director Douglas Holtz-Eakin**

“Douglas Holtz-Eakin’s departure from the Congressional Budget Office at the end of this year is a significant loss for the federal government and the American people. Director Holtz-Eakin has done an outstanding job during his tenure and is well respected by both sides of the aisle in Congress. I am confident in Deputy Director Marron’s ability to perform the Director’s duties following Director Holtz-Eakin’s departure – the CBO will be in good hands under his leadership. I anticipate the decision on an appointment for the next term of CBO Director will be made in consultation with relevant parties in the House and the Senate.”
