## **Senator Gregg Receives Commitment from Senate Majority Leader That Senate Will Consider Amendment to Reduce Wasteful Spending**

“I applaud the Democratic Majority Leader for his commitment to ethics reform, and for agreeing to allow the Senate to fully consider and vote upon my proposal to reduce wasteful federal spending. This fiscally responsible measure, which will be the first amendment to the minimum wage bill, is an excellent tool against unnecessary spending and I am confident that my colleagues on both sides of the aisle will agree. Today’s bipartisan agreement is a real victory for the American taxpayer.”
